

Jecho Laboratories Job Opportunity

TITLE: Process Development Associate- Cell Culture
LOCATION: Frederick, MD
REQ#: 18-003

Overview: Jecho Laboratories, Inc. (Jecho) is a biopharmaceutical company developing innovative therapeutic biologics, including therapeutic monoclonal antibodies, cytokines, immunotoxins, and vaccines to address a broad range of diseases as well as treatment of cancer and infectious disease. The company headquarter is located in Frederick Maryland, USA.

We are seeking a Process Development Associate to join our R&D in Frederick, MD. Qualified individuals will execute small scale cell culture process development and basic analysis studies. The ideal candidate will make detailed observations, analyze data, interpret results, and exercise appropriate technical judgment in the design, execution, and interpretation of experiments. The candidate will receive general instructions from a supervisor for routine work and new assignments. The candidate is expected to be eager to learn, highly productive, well organized, and self-motivated.

Essential Job Functions:

- Perform mammalian cell culture activities such as transfection, selection, clone screening and cell banking.
- Perform process development activities such as medium optimization and process scale up in bench-top bioreactors.
- Conduct routine biological and physiochemical assays, such as SDS-PAGE, WB, ELISA, and HPLC.
- Generate and maintain experimental data in a highly organized manner.
- Write experiment reports.

Minimum Requirements:

- Bachelor's or Master's degree in biological science, biochemistry, bioengineering, or related fields.
- 0-3 years' industry experience in pharmaceutical or biotechnology field.
- Experience with mammalian cell culture and cell line maintenance.
- Meticulous laboratory practice and good aseptic techniques.
- Ability to work effectively as a cross-functional team member.
- Work experience in BSL2 environment, bioreactors, or DOE using JMP software in a plus.

Compensation:

- Jecho offers a competitive salary and excellent benefits package, including health insurance, dental/vision insurance, short-term and long-term disability insurance, and 401(k) retirement plan.
- Jecho is an equal opportunity employer.
