

## Jecho Laboratories Job Opportunity

**TITLE:** Process Development Associate Scientist/Associate- Cell Culture

**LOCATION:** Frederick, MD

**REQ#:** 23-003

**Overview:** Jecho Laboratories, Inc. (Jecho) is a biopharmaceutical company developing innovative therapeutic biologics, including therapeutic monoclonal antibodies, cytokines, immunotoxins, and vaccines to address a broad range of diseases as well as treatment of cancer and infectious disease. The company is located in Frederick MD and has multiple drug candidates at various clinical stages.

We are seeking a Process Development Associate to join our R&D in Frederick, MD. Qualified individuals will execute small-scale cell culture process development and basic analytical studies. The ideal candidate will make detailed observations, analyze data, interpret results, and exercise appropriate technical judgment in the execution of studies. The candidate will receive general instructions from a supervisor for routine work and tasks. The candidate is expected to be eager to learn, highly productive, well-organized, and self-motivated.

### **Essential Job Functions:**

- Perform mammalian cell culture and analyses such as transfection, maintaining cell culture and subculture, clone screening, and cell banking.
- Perform process development activities such as culture condition optimization and process scale-up in bench-top bioreactors.
- Conduct routine biological and physiochemical assays, such as SDS-PAGE, WB, ELISA, and HPLC.
- Generate and maintain experimental data in a highly organized manner.
- Write experiment and process reports.

### **Minimum Requirements:**

- Bachelor's or Master's degree in biological science, biochemistry, bioengineering, or related fields.
- 0-5 years' industry experience in the pharmaceutical or biotechnology field.
- Meticulous and detail-oriented laboratory practice.
- Ability to work effectively as a cross-functional team member.
- Experience with mammalian cell culture, cell line maintenance, and bioreactors is preferred.
- This position may require you standing/sitting/walking in the lab for routinely 8 hours and sometimes up to 12 hours, as well as lifting weight up to 30 pounds.

### **Compensation**

- Jecho offers a competitive salary and excellent benefits package, including but not limited to health insurance, dental/vision insurance, short-term and long-term disability insurance, and 401(k) retirement plan.

### **Disclaimer**

- Jecho Labs is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
- This job description may not be inclusive of all assigned duties, responsibilities, or aspects of the job described, and the employee may be required to perform additional functions.
- The job description is subject to change by the employer as the organizational needs and requirements of the job change.
